## McDaniel's Opens New Store Soon

There will be 125 employes serving Greater Upland customers when Grand Opening of new McDaniel's Market at Alta off Foothill Blvd. takes place "very-r-y, ver-r-y soon.'

Manager Guy (Sandy) Sandridge, who serves in that capacity at present McDaniel's location on Chaffey near Grove Ave., will move over to the huge modern new store with all 15 of the present McDaniel's employes. The Chaffey store will be closed by McDaniel's when the new store opens.

Personnel Officer Mrs. Ida Freed reports she is hiring more than 100 more employes, including 45-50 box boys and 20-30 checkers.

Stocking of the new store off Foothill Blvd. is "proceeding on schedule," Mr. Sandridge reports.

The huge new McDaniel's location boasts 36,000 sq. ft. compared to the old store's area of 10,000 sq. ft.

McDaniel's took over Walker's Market near Grove Ave. 2½ years ago. Mr. Sandridge has managed the store for 12 years.

## Lions Host

Lions Club of Upland will have Upland Rotary Club as guests at regular meeting at 12:15 p.m. Thursday, Oct. 29 in Upland Woman's Clubhouse. Lions President Elwin Alder has announced that the noted Hoosier educator, Thomas E. Jones, will be speaker.

Mr. Jones career includes services abroad in Japan's Young Friend's movement and with the YMCA in Siberia. He is now consultant for the Assn. of American Colleges.

## Annual Red Cross Meet

New members to the borad of directors and new officers will be elected at annual meeting of Upland Chapter of American National Red Cross Monday, Oct. 19, at 7 p.m. at Upland Woman's Club.

All Red Cross members are eligible to vote. Mrs. Thomas C. Ware, chairman of the meeting, is being assisted in plans by Mrs. Gibson Ellerbeck, Rex Wignall and C. Robert Erickson.

Theme of the dinner meeting is "Junior Red Cross." Many local Upland educators will be guests of the chapter. John Martin, director of Jr. Red Cross Services of the Los Angeles Chapter, will be speaker.

Wheeler K. Stanley, chairman of the board, has announced "certificates of appreciation" will be awarded to outgoing board members Mrs. Myrta Crilly, Mrs. George Grenier, Mrs. Gibson Ellerbeck, Paul Kiszeli and L. Cletus Gallagher. Reservations for the dinner may be made by telephoning the chapter office, Yukon 2-3113.

## Fire Prevention

## Annual CofC Dinner Hears Dr. Milliken

Members attending annual dinner of Upland Chamber of Commerce heard Daniel Milliken, president of Chaffey College, outline history of his educational institution and describe its new campus and construction progress.

They also met Chamber President Charles Benninghoff, who urged an expanded membership, devoted to the future of Upland. He briefly touched on other chamber goals: industrial, city development and interest, beautification, and welcome to new businessmen.

Outgoing president Cal Shores called attention to the "major accomplishment" of his term: Revision of the industrial brochure by Jack Smith, chairman of that committee.

Mayor Abner Haldeman, in words of welcome, threw out the "challenge of tomorrow," that of a tax base expanding from $5 million in 1940 to $20 million in 1959 while the population increased only 2½ times.

# Body Blow To Euclid Center

A body blow was delivered to Foothill-Euclid Corp., seeking to locate a 10-acre shopping center at southwest corner of Euclid Ave. and Foothill Blvd., during City Council meeting Tuesday night, Oct. 6.

The weapon used was the unilateral agreement of two years ago covering the full 20-acre tract.

Councilman William Kistinger's motion, approved 4-1 by the city fathers, called for following of the unilateral agreement and original precise plan "to the letter" and set location of any service station on the tract at Redding Way and Foothill Blvd. "only."

**One Dissenter**

Dissenting vote came from Councilman John Nicholson who maintained that modifications to the unilateral agreement would assist development of the area without hurting surrounding property owners.

Announcing that interests of the Wagner developing firm were out of it as of Oct. 1, representatives for the shopping center this time were strictly local — Charles Milhiser and Ralph Miller making the presentation.

Among those rising from the audience to oppose any shopping center at all going in at the Euclid-Foothill location were Albert L. Wolins, general manager of McDaniel's Market, soon to open a huge new store at Alta off Foothill Blvd., and Medco Corp. representatives Sid Wallis and Max Bertisch.

**No Leniency**

The unilateral agreement, which received unanimous backing of Euclid Ave. property owners, calls for development of the entire 20-acre tract within a specified time.

The precise plan locates ingress and egress points. Modification in this item was main request for "leniency" requested by the shopping center spokesmen.

After overwhelming protest from a dozen residents in the area against request of Dr. Truman T. Ackerson for extension of sidewalks under the 1911 Improvement Act the length of the west side of the 1300 block of Euclid Ave., the council unanimously ruled against the move.

Councilman Philip Holden moved the request be denied "since it has not been proven" the public's health, safety and welfare is "seriously affected" by the lack of sidewalks in the area.

"What does it take to prove the need for sidewalks? asked Dr. Ackerson's lone backer in the audience. "A fatality?"

**Policy Amendment**

Policy action taken by the councilmen Sept. 1 requiring full street improvements at time of "development" of all property along and east of San Antonio Ave. and south of the proposed 19th St. Freeway, regardless of zoning, was amended.

The amendment says that property in that area "be required to put in full street improvements at division, regardless of zoning, the improvements to apply to parcels of one acre or less."

**Oct. 20 meeting of city council, regular meeting date, will be adjourned to Oct. 27, it was announced by Mayor Abner Haldeman. All councilmen but Mr. Nicholson, along with other city officials, will be attending the League of California Cities convention in San Francisco, Oct. 18-21.**

In other business, the council:

Adopted a measure subject to further modification if needed whereby the city collects for extra duty services by city police, such as patrolling football games and dances, to keep the officers under city benefits. The city will receive $3 per hour for such services and pay the officer $2.60, the difference going into administrative costs.

Approved Medco tracts along westerly extension of 13th St. and off Grove Ave., accepted easement from Medco for a sewer line and surface water drainage, granted permission for three 35 ft. driveways off the service road into McDaniel' Msraket parking lot and approved an ingress entry only from Foothill Blvd. into the service road between Alta and Grove.

Granted Old Baldy Council all-day use of Memorial Park for Boy Scout field events Saturday, Nov. 7.

Approved a permit for Navy Mothers Club of America to sell Navy Boy tags in Upland Oct. 23 and 24.

## Revenue Bond Seen On Water

A revenue bond of "a couple hundred thousand dollars to get things going" may be result of the Montgomery report on a master plan for Upland's water system, Don Adams informed members of the Capital Improvements Committee on Ways and Means last week.

Mr. Adams, manager of San Antonio Water Co., is chairman of the committee's subcommittee on water.

**Braces City Council**

Acquisition of the Chino well and arrangements with Ontario Water Dept. to exercise rights preventing loss by abandonment through putting in a few additional pipelines were mentioned by Mr. Adams as reason City Council could be braced for need of money in addition to Upland Water Dept.'s yearly income.

Mr. Adams estimated the city water department could possibly accumulate $70,000 per year. City Manager Elwin Alder termed that "a conservative figure."

"It looks like it will pay itself out and keep going on $70,000 per year," Mr. Adams noted. By studying the Montgomery report more carefully with Mr. Alder "we might have suggestions for spending one way to save money in another," Mr. Adams said.

**Delete Quarter Million**

A "quarter million dollars" was deleted from the preliminary Montgomery report in a session presided over by Councilman William Kistinger, Mr. Adams reported. Possibly a 10-year plan for Upland could be recommended after priorities and estimated costs are determined, he indicated.

Mr. Adams described financing for the water system as "more in the nature of a revolving fund, getting one thing paid off and then being used for other purposes. Since the city's nestegg is gone with new pipelines costing more than $100,000, this may have to run for 20 years.

The present 40-year bond issue will be paid off in 1963, Mr. Alder reported.

# NEW CIVIC CENTER SOUGHT

Two years of planning a civic center around present City Hall site was thrown out the window when members of Upland Capital Improvements Committee on Ways and Means succumbed to pressure applied for the past several months by Don Gannon and voted in favor of acquiring a new site, possibly on Foothill Blvd. The decision was made Wednesday night, Sept. 30 in City Council chambers.

As a result of this decision, Allan Barr, who had chairmanned the subcommittee which recommended extension of the civic center at its present location, submitted his resignation from the subcommittee because "I'm not in favor of the move.'

Ways and Means Chairman Donald Carr attempted to appoint James Stamm to the position but Mr. Stamm declared, "I'm not in favor of it either!'

Mr. Carr did name Mr. Stamm to the subcommittee replacing Mr. Barr, leaving it composed of George Te Velde, away on vacation, Harold Stewart, Mr. Gannon and Mr. Stamm.

'I suggest you elect your own chairman," Mr. Carr said.

## Could Unilateral Agreement Center City's Civic Center?

**Construction of Upland's new civic center on unused land in Memorial Park was suggested by Earl Hawthorne during last week's meeting of the Capital Improvements Committee on Ways and Means.**

**"There are 40 acres out there, only about 20 in use," Mr. Hawthorne pointed out. "We wouldn't have to buy the land and could use the money for the buildings themselves."**

**Observed Don Gannon, "I think the general public would be more apt to accept something closer to Euclid Ave. rather than the park site."**

**He noted that the telephone company has tabbed the Euclid-Foothill area as the eventual center of Upland.**

**Chairman Donald Carr asked, "Do you think the southwest corner of Euclid and Foothill would be a good location?'**

**In view of the struggle City Council is having in compromising public opposition to locate a multi-million dollar 10-acre shopping center on that corner, committee members laughed. Joining in were Councilmen John Nicholson and Philip Holden who were in attendance.**

**"Locating the civic center there might relieve city council,' Allan Barr commented.**

**"But I doubt if we could get an agreement on access roads," declared Councilman Nicholson.**

Probable location of the new civic center?

Mr. Gannon suggested what he termed "an ideal site" west of Euclid Ave. on the north side of Foothill west of the Stuft Shirt. On the basis of assessed valuation, Mr. Gannon indicated 10.9 acres in that area could be purchased at $150,000 or around $13,000 an acre. He compared this with $43,500 per acre at the present 4.33 acre site and $41,000 per acre at a 6.67 acre site bounded by Euclid and Second Ave., 11th and G Sts.

Chairman Carr charged the civic center subcommittee to study sites and costs of sites away from Upland Shopping Center with aid of City Manager Elwin Alder and a member of the City Planning Commission and recommend a new site.

Probable future use of the present City Hall in view of the new civic center thinking?

"Make this the library site," Mr. Gannon said. "Ultimate development in this area is apartment houses along Euclid Ave. A lot of the homes in this area are occupied by older people who will be served by the library."

Furnishing the Ways and Means committee a target date on a possible bond election to purchase the new civic center property, City Manager Alder said there was still time for it to go on the general April election ballot.

**Next Conclave**

Next session of the Ways and Means committee is scheduled for Wednesday, Oct. 28.

Nine members of the full 11-man committee were on hand for the meeting. Absent were Mr. TeVelde and Dwight Bert. Present were Chairman Carr, Messers. Barr, Stamm and Gannon and Harvey Shirk, Earl Hawthorne, Harold Stewart, Ray Sherwood and Don Adams.

The secret balloting on civic center moves, instigated by Mr. Carr, showed six in favor of acquiring a new site, possibly on Foothill, two in favor of constructing a new building north of the present city hall and only one in favor of purchasing the present site through to Euclid.

At meeting of the committee just one month previous, indication was majority of the members were in favor of buying through to Euclid with Mr. Gannon almost alone in contending for re-location of the civic center.

## Traffic Survey

The Greater Upland area will be scene of a traffic survey of State Highways and various county and city roads starting Tuesday, Oct. 13. The survey will continue through Wednesday, Oct. 21, in Upland, Ontario and Chino, according to State Division of Highways District Engineer C. V. Kane.

The survey is being made, Mr. Kane said, to estimate volumes of future traffic that can be expected on state highways. Sampling methods used may require stopping of only every second or third vehicle for brief interviews.

Each driver stopped will be asked, "Where did this trip begin?" and "What is your destination?" and "What is the purpose of this trip?"

No names or license numbers will be requested of motorists. The interview stations will be manned by Division of Highways employes with cooperation and assistance of California Highway Patrol and local police agencies.

## To Confab

Official Upland delegates to the Kiwanis California-Nevada-Hawaii District convention in Las Vegas, Nev. Oct. 11 - 14 will be President Robert P. Miller and Clarke Boesen, secretary-treasurer.

Also attending the confab will be three couples from Upland — the George Brannans, Cal Shores and John Nicholsons.

# Cucamonga's Controversial Crossing

Cucamonga citizens have been advised to throw full weight of their school crossing problem at the dangerous Foothill Blvd.-Archibald Ave. intersection into lap of San Bernardino County Traffic Committee meeting Tuesday, Oct. 13.

Handing out the advice was County Traffic Engineer J.G. Galans who attended a session of Cucamonga District Chamber of Commerce on the safety situation Thursday night, Oct 1 with County Supervisor R. G. Manley.

Mr. Galans notified Cucamonga citizens state highway representatives would be at the meeting and would accept county traffic commitee recommendations. In answer to a question by Mrs. Guy Wheatley, secretary of Central School PTA, Mr. Galans said the county committee would be inclined to make recommendations regarding the controversial intersection.

Supervisor Manley of Upland suggested the Cucamonga District chamber have Assemblyman Eugene G. Nisbet of Upland attend the Oct. 13 meeting.

Ted Vath, who chairmanned the meeting, asked Chamber Secretary Hollis Guthrie to write letters to both Assemblyman Nisbet and State Senator Stanford C. Shaw of Ontario requesting their presence at the meeting. It is scheduled for 9:30 a.m. in the County Highway and Flood Control Building, 825 E. Third St., San Bernardino.

**Also Attending**

Also attending the Oct. 13 meeting will be Central School District Supt. Marion R. Adkison and probably Central School PTA President Mrs. Frank Hegr, both of whom were at the Cucamonga District chamber session.

Supt. Adkison, Mmes. Hegr and Wheatley and Mr. Guthrie emphasized need for a crossing guard for children at the Foothill-Archibald intersection. "The school district cannot furnish a crossing guard," Supt. Adkison reported. "But we have about 300 small children who must cross there and we are concerned because the children are so small."

The PTA formed a Mothers Patrol to get the children across the highway to start off the school year. This had to be discontinued when it was discovered the mothers would be liable for any accident, Mrs. Hegr reported.

**Tight Little Island**

Mrs. Hegr pointed out the signal did not give time enough to get the children across the street, in which case they collected on the very narrow island where youngsters of that age were bound to push and shove. With a few bicycles mixed in among the children, the danger was further increased, Mrs. Hegr declared.

Supt. Adkison backed Mr. Vath's proposal that Foothill Blvd stop signals on either side of Archibald Ave. — at Hellman and Turner — would help slow traffic down through Cucamonga.

The only suggestion Mr. Galans had for immediate relief of the school crossing problem was the request of more enforcement from the California Highway Patrol. Any signals, warning signs or crossing guards on Foothill Blvd., Mr. Galans and Supervisor Manley said, would require action and permission from the State Highway Department. To reduce the speed limit, Mr. Galans said, would require a request for a study by the Division of Highways.

Mr. Galans agreed to a change of the 25 mph sign on Archibald north of Central School as a means of "shaking the people up" since Archibald is a county road.

Supervisor Manley advocated more safety education for the children themselves. "If you lead them across the street by the hand all the time, they won't know how to go across by themselves," he said.

Replied Mrs. Hegr: "I think our children are educated about how dangerous the Foothill-Archibald intersection is, or they'd be dead long ago!'

# BARGAIN IN BONDS SEEN

The 1959-60 tax rate for bond service in Upland School District is 48 cents per $100 of assessed valuation, the Lay Advisory Committee on school needs and financing methods has been informed

Board of Trustees President Jarvis Leman emphasized that approval of a bond issue to cover district needs at a proposed mid-winter election "will not increase this tax rate. The present tax rate would be maintained."

To qualify for a state loan at this time, the citizens study group learned, the district would have to sell bonds in the amount of $135,794. Authorized but unsold are $130,000 in bonds. The voters would have to authorize sale of $5794 in bonds.

Supt. Harold Cook's statement regarding bonding capacity, which was distributed to the advisory committee members, sets the district's 1959 - 60 chool year at $22,058,820.

Maximum legal bonding capacity of the district is limited to five per cent of the assessed valuation or $1,102,-941.

The district's outstanding bonded indebtedness is $912,-000. The sum of outstanding and authorized bonds is $1,042,000. Ninety-five per cent of the $1,102,941 bonding capacity equals $1,047,794

Noted Mr. Leman to advisory committee members, "In view of our prospective growth there is only one way to attempt solving the need for facilities. That's through state aid. We will have to hold an election and obtain approval of the voters on a bond issue and state aid. The election will have to approve both by a two-thirds majority. Approval of one without the other would leave the district right where it is and require another election as they are having to do in Ontario."

Board members and Supt. Cook informed the study group that the 48 cent tax rate on bond service would first go to pay off the local bonds with what is left going to the state as payment on its loan.

"At present," Mr. Leman said, "the district wouldn't pay anything to the state because the income just covers our own bonds."

And should the district ever be unable to pay back the state loan, custom dictates wiping out of the loan by the state with taxpayers all over the state picking up the difference.

Supt. Cook estimated 30 to 40 per cent of the total districts in the state have had state aid.

Observed Lay Advisory Committee member Thomas Cleland: "I'd say state aid was a real bargain because it enables you to get more for your money."

The advisory group under Chairman Dr. Felix Bescoby held its first official meeting in art room of Upland Junior High School Tuesday night, Oct. 6. Indication has been given for a "firm recommendation" covering school district building needs and amount of the mid-winter bond issue in time for the board of trustees to set an election date at its November meeting.

"We will be grateful for whatever you come up with," Mr. Leman assured the citizens group.

Members are Chairman Dr. Bescoby, Mr. Cleland, Gene Alair, Joel Baugh, Dwight Bert, Earle Casler, Mrs Brooks Drayton, Mrs. William Fitzsimmons, Daniel Maher, Allen Palmer, Sgt. Felix Quesada, M. K. Smith, Elias Wiebe and Dr. Kenneth Wilcox

# Opening Of Rosedale's Now Official

Rosedale's Nursery of Upland is today officially "open for inspection."

Announcement of the opening was made by Howard Past, president of Rosedale's Nurseries.

**Long Term Lease**

The Rosedale organization acquired a long term lease of the Gilliland Garden Nursery on the north side of Foothill Blvd. just east of Euclid Ave. intersection Aug. 1.

"Since that time we have been busily engaged in a modernization program which we know the garden enthusiasts of this area will greatly appreciate," Mr. Past revealed.

**Experience, Know-How**

Rosedale's comes to this area with a wealth of experience and know-how.

The company was formed in 1927 by a one-time Danish immigrant, Harry E. Rosedale.

Specializing in the growing and introducing of new and better ornamental shrubs and trees, Mr. Rosedale's business flourished to become a nationwide shipper of California grown plants.

**Retail Chain**

In addition, Mr. Rosedale also started a chain of retail nurseries in the Los Angeles and Orange county area. The Upland nursery is the seventh.

Mr. Rosedale passed away three years ago. At that time Mr. Past, a veteran in the organization, advanced to the presidency.

**ROSEDALE'S NURSERY** celebrated official opening here with donation of 12 trees to the City of Upland, including Hong Kong Orchid and Palo Alto Liquid Ambar. At ceremonies were, from left, City Mgr. Elwin Alder, Rosedale's Gen. Mgr. Charles S. Crum, Mayor Abner Haldeman, Rosedale's President Howard Past, Councilman William Kistinger, and Rosedale's Mgr. Ray Hobbs.

# Trustees Face 3 Meetings

Discussion of appraisal report on the junior college campus beside Chaffey High School and request for Federal funds to develop a second language lab at Upland High School and mathematics and science labs at Chaffey and Montclair high schools will be held by prep trustees at an adjourned meeting Thursday, Oct. 15.

The junior college appraisal is due in the college president's office Monday, Oct. 12, Supt. Allan Smith informed the high school board at its regular Monday, Oct. 5 meeting.

Chaffey Union High School District is scheduled to purchase the junior college buildings when Chaffey College moves to its new Alta Loma campus after first of the year — if it has the money to do so.

Applications for the federal funds to encourage development of science, math and foreign language labs — one of the latter is already in use on the Upland High campus — must be made by Nov. 2. Chaffey High is in process of completing an application for a math lab.

Other meetings scheduled this month by the high school board include a seminar with the Salary Committee Oct. 19 and a Planning Committee meeting Oct. 26. The planning committee is developing plans for a tax election for the spring of 1960.

In other business:

The Upland High School restroom building was accepted as completed.

Asst. Supt. for Personnel Service Alexander McLeish was authorized to write for instructions and clarification on new legislation requiring fingerprinting of all classified employes of the district at cost of $4 each.

Announcing!
A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but *three new lines* of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any *Point of View*, worth more from every *Point of Value!*
2. The 1960 Falcon—The New-size Ford, the world's most *experienced* new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Now you can *see* them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hardtop model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on *regular* gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only *begin* with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

FORD DIVISION, Ford Motor Company

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for *six* big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like *no* other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most *experienced* new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers *expect*. Its gearshift is on the steering column—*not on the floor*. Its engine is located *up front* for greater stability and safety. Best news of all is the Falcon's low, *low* price. See it at your Ford Dealer's . . . and see the *difference!*

THE FALCON FORDOR SEDAN the world's most experienced new car is the easiest car in the world to own!

# Azusa Next On Upland Grid

The once hurt Highlanders plan to be twice shy of defeat by getting back on the winning track when they host Azusa on the Upland High School gridiron Friday night, Oct. 9. Kickoff is scheduled for 8 p.m.

After downing Glendora in easy fashion in the home opener this season, the Highlanders of Coach Harley Lovitt got the gate from Ganesha last week 41-6 here.

A sensational opening kickoff return for a tally by Louie Schmutz saved Upland's pigskin pack from a whitewashing. Otherwise it was all Ganesha.

Schmutz took the kickoff on his own 15, fumbled it to the 10, then picked the ball up and tore 90 yards down the south sidelines.

Ganesha came right back in the second period to net 14 points on a 2 yard plunge by QB Tom Faust and a 3-yard pass play from Faust to Upland departure Gene Thienes. Dick Brownell's PAT's hit their mark. The Giants led 14-7 at halftime. After both teams had exchanged the ball twice, the Highlanders had a second and 10 situation on their own 8 Joe Valadez pitched to Doug Long but the ball rolled into the end zone. Tony Armandan of the Giants pounced on it and Brownell's third PAT made it 21-6.

Fumble after fumble and penalty after penalty later, Ganesha had scored 20 points in the final period.

Coach Lovitt singled out Schmutz for his outstanding defensive work. It was worst defeat in history for Upland.

## Win No. Two

Ronnie Robbins and Dennis Barbee were tops in offensive chores and Loren Miller starred on defense to keep the Upland High School Bee football team winning last Friday, 19-6. Ganesha was the Highlanders' second victim in as many outings and only a last quarter TD kept Upland from shutting them out.

MEMBERS OF RUGGED Upland High School water polo squad, engaged in their first competition this season, include, standing, from left, Doug Bartlett, Tom Holden, Bill Crogan, Hugh Harris, Dick Whittaker and Coach James Stewart; Seated, from left, Pete Allen, Vern Murray, David Callow, Tom Chalber, Doug Zwissler with ball, Glen Graham, Art Graham, Art Smart, Kirby Bonds and Walt Sebesta. Not pictured are Tom Strack, Rod Becker and Bob Fink.

# Water Polo Matches Here On Thursday

First home matches of the season for Upland High School's new water polo squad get under way starting at 3 p.m. Thursday, Oct. 8.

Coach James Stewart's forces entertain Santa Ana in the Highlander pool, the Cee match starting at 3 p.m., the varsity scheduled for 4 p.m. and the Bee clash planned for 4:45 p.m.

Not until Oct. 28 will the Highlander aqua flailers appear in their home pool again when they host Pioneer-Whittier here.

Upland reached finals of consolation bracket in the Garden Grove Invitational Water Polo Championship last week, dropping a 3-1 opening match to runner-up Anaheim, blanking Buena Park 7-0 and dropping the consolation crown to Montebello 3-1. Host Garden Grove copped the tourney title.

Tom Chalberg scored the lone Upland goal against both Anaheim and Montebello while dunking a pair in the victory over Buena Park. Against Buena Park, Chalberg was aided by three goals tallied by Rod Becker and a pair by Dave Callow.

First water polo victory ever for the Highlanders varsity was scored Sept. 30 at Rosemead, 11-2. Tom Strack and Becker paced the onslaught with a trio of goals each. Callow and Chalberg added two apiece and Pete Allen tossed in a loner. The Upland Cees lost a 4-0 tiff.

Following the Santa Ana matches Thursday, Upland travels to La Puente Oct. 14, Western in Anaheim Oct. 16 and Beverly Hills Oct. 20.

After hosting Pioneer here Oct. 28, the water polo schedule has Upland at Santa Fe Oct. 30, Bell Gardens here Nov. 5, Upland at Sierra Nov. 12 with the CIF prelims Nov. 20, CIF semifinals Nov. 23 and CIF finals Nov. 25.

## Garden Section Reveals Season's Program Plans

A trip to Sunny Slope Mum Gardens in San Gabriel will be November outing of Upland Woman's Club Home and Garden Section, it has been announced by Chairman of Programs Mrs Francis Wilson.

Thursday, Oct. 1 the section visited Mrs. Mary L. Gillingwators gardens of begonias at 1053 Benson Ave which includes hundreds of varieties. She told how to care for the plants and gave a demonstration in hyberdizing.

During business meeting, Mrs H. C Shropshire gave gardening tips for this time of year. She stressed watering, transplanting and planting of bulbs. Mrs. Philip Holden was elected historian. Mmes. J. C. Baird and Jessie Holmes were named Calling chairmen. Prizes of African violets and iris bulbs were won by Mmes. Rose Cunning, Olive Mussman and Effie Hood.

Other programs this season:

December — Annual Christmas Tour of Homes. April — Flower show and tea with Joe Littlefield, video gardening expert, the speaker. May — Mrs. Bruce Claflin will show her amarilla gardens.

Plans are being formulated to visit gardens of other club members during other months.

Hostesses for the patio tea last week were Mmes. C. P Jacobs and Wilson.

## BPW Fetes Business Women's Week

National Business and Professional Women's Week was observed by the Upland organization at a "get-acquainted with BPW" tea held in Upland Women's Clubhouse at 590 Second Ave., Upland, Sunday afternoon, Oct. 4. Present were 33 members and 25 guests.

Speakers were Mmes. E. Tweed Stone ahd Helen Turner.

Mrs. Stone, Upland, first vice president of State Federation of BPW, reported that the week will be observed through Saturday, Oct. 10 under the theme, "A Right Turn to a Confident Future.' Mrs. Stone noted that first BPW Week was in 1928.

"BPW is not a classified organization," Mrs. Stone declared. "It is open to all women who are gainfully employed."

Objective of the organization, she said, is to elevate the standards of women in business.

Mrs. Turner, Victorville, state membership chairman, spoke on "Why You Belong to BPW." She reported the organization started as a national group in July, 1919 in St. Louis. It is now the largest non classified women's club in the world, a leadership club, raising the status of all business women.

"You give as well as receive when you are a member of a BPWC," Mrs. Turner declared.

Assisting with the pouring were two of Upland's past presidents, Mmes. William Gilliland and Elmer Mosher. Other past presidents present were Mmes. Stone, Clifford Bennet, Leonard Nylander, Douglas Black, Maude Linsley and Misses Frances Barks, Florence Andrews and Doreen Hill. Program Coordinator Francis Mitchell and Co-Chairman Flora Kushin planned the tea.

Decorations in the entry hall included the Niki, emblem of BPW. The tea table had a center piece of purple stock with yellow pompoms and greenery. On either side were silver candle sticks with white candles. Colors used were club colors of gold, green and purple.

## Silver Tea October 19

Annual Silver Tea of San Antonio Community Hospital Women's Auxiliary is scheduled for 3 to 5 p.m. Monday, Oct. 19 in home of Mrs. Edwin L. Wickstrom, 8470 Camino Sur, Cucamonga.

There will be an exhibit of sculpture, mosaic furniture and pictures by such Southland artists as Betty Davenport Ford, John Svenson, Conrad Dean, James W. Heurter, Patte Rae Mayeda and Robert Fleck.

Just completed, the Wickstrom home provides apt setting for the exhibit with its contemporary design and Chinese influence.

## Upland Auxiliary Officers Posted

Three representatives from Upland's American Legion Auxiliary to Post 73 attended the Thursday, Oct. 1 meeting in Arlington for the School of Instruction.

They were Mmes. Edith Howarton, state legislature chairman; Pauline Moore, president; and Beth Saunders, first vice president.

Objective of the session was to instruct new officers on methods of handling their positions.

Regular meeting of the Auxiliary was held at the clubhouse the night of Oct. 1.

WITH TEN GIRLS at the 11th Baptist Church Girls Auxiliary taking "forward steps", last week's Coronation ceremony proved a colorful occasion. Taking the final step to "Queen-with-Sceptre" was Monecha Spears, right center.

# BAPTIST AUXILIARY OF GIRLS HAS CORONATION

Ten girls took "forward steps" during Coronation ceremonies of Girls Auxiliary of the 11th St. Baptist Church of Upland Wednesday night, Sept. 30.

This is an auxiliary recognition service as reward for work done by the girls.

Five girls took the "maiden" step — Cindy and Pamela Sims, Becky Thompson, Sally Yaple and Joyce Norman. Alvena Spears and Kathy Kellogg took the "lady-in-waiting" second step. Third step of "Princess" was taken by Fat Kellogg. Elaine Norman took the fourth step to "Queen.' Fifth and final step to "Queen-with-Sceptre" was made by Monecha Spears.

Mrs. Don Ritter gave the Charge. Mistress of Ceremonies was Mrs. Al Spears. At the organ was Mrs. Marshall Hutchins.

Reception followed in the dining hall. All the girls were dressed in the auxiliary colors of green, gold and white. Decorations cleaved to the same color scheme.

# Special Nazarene Speaker

Special speaker this Sunday at both services in Upland First Church of the Nazarene will be Dr. Kenneth Armstrong, professor at Pasadena Nazarene College.

Mrs. C. B Cox will be featured soloist at the 10:50 a.m Worship Service. The Ladies Trio and Larry Whitcomb will provide special music for the 7 p.m. Evangelistic Service.

Dr. Armstrong will speak at 6 p.m. to the Young Married's. Group Five class meetings will be going on for all age groups.

The Rev. William E. Thompson, pastor, will return Oct. 20 from Portland, Ore. where he is conducting a Revival Campaign.

# ST. MARK'S GOES ADULT WESTERN FOR BARBECUE

Fun for the whole family western style is theme of annual Parish barbecue at St. Marks Episcopal Church Friday, Oct. 9. Carnival fun and entertainment is on the agenda for children; musical entertainment by the Red Campbell Trio and the Honey Sisters will provide a pleasant interlude for their parents.

Dinner consisting of barbecued fish or beef will be served at 6 and 7 p.m. in the church patio. St. Mark's extends an invitation to all interested people in the community to join in the family fun. Adults will pay 1.25 and children 75 for the dinner.

At 7:30 Jack Snowden, well known square dance caller from Fontana, will arrive and start the hoe down fun in Parish Hall. Square dance enthusiasts from the entire area are expected to make it an exciting and frolicsome Western evening.

General Chairman William Turner and the people of St. Mark's have spent the last six weeks in frenzied preparation to make this the biggest ever annual affair for the church.

Committee chairmen are as follows: Mr. and Mrs. Manley W. Cole, square dancing Mr. and Mrs. Arnold Campbell, entertainment; the D.C. Hulberts and the Robert Lunsfords, decorations; M and Mrs. Robert Oyler, table and seving chairman; Thomas Brown, lighting.

St. Clares Guild under direction of Mrs. Harold Barthelomae is undertaking food preparation. Desserts will be made by St. Lydias Guild, directed by Mrs. Ruth Coons. St. Catherine's Guild led by Mrs. David Bice will man the coffee and the carnival booths. St. Faiths Guild under leadership of Mrs. Walter Hanson will fill in where needed and provide the clean-up committee. St. Mark's Boy Scout Troop will wash silverware for Family Fun Night.

## There Is A Treasure Of Talent In Greater Upland

The greatest gift we have is TALENT. We all have different talents, and in varying amounts. But we have the ability to work, to play, to do things.

Sometimes our talents lie in our hands as in hundreds of things we do each day. Maybe our talent is using our mind.

And other talents show up in working with others, in recognising that the other fellow's talents often can be as valuable to us as our own.

It is in this spirit that this issue of The News is dedicated this week . . . . for in Upland there is indeed a Treasure Chest of Talent.

We find it everywhere we look. It is a joy when Talent is recognized, praised, and used.

## Hospitality, History In Unique Blend At Wineries

Perhaps at no other time of year do California's grape vineyards and wineries offer more to a visitor than during the month of October.

The vastness of wineries in Cucamonga, Etiwanda, and Guasti are amazing in a State that is noted for producing nearly 85 per cent of the wine which Americans enjoy annually. Some 154,572,000 gallons were produced from 425,000 acres of grapes this past year in California.

In our area the wineries are an important part of the agricultural economy.

The California grape and wine industry alone represents an investment of half-a-billion dollars, and employs an estimated 111,000 people yearly with a total payroll of about $157 millions. More than 80 per cent of all the grapes and wine grown in the United States and 100 per cent of the raisins come from California vineyards.

Now in the vineyards of California and in other wine producing states thousands of men and women are harvesting this year's grape crop, one that promises to be larger than the crop of 1958.

Throughout the State hundreds of old wineries of native stone and redwood, some adobe, some brick, and others comparatively new, reflect the many architectural modes of two centuries of California's growth from a wilderness to one of the richest agricultural regions.

Wine growing began in California in 1769 when Padre Junipero Serra planted the region's first vineyards with European grape cuttings. His purpose was to produce enough wines for the Sacrament and for mealtime use at his California Missions.

In their unique blend of hospitality and history, California's grape vineyards and wineries provide an outstanding experience to thousands of Americans each year. Visitors always find a hearty welcome.

When you have the opportunity, we recommend you take a tour.

## Make Fire Fighters Wait

Fire takes a terrible toll. The time to worry is before you have a fire.

We suggest a thorough housecleaning, and general inspection of your property . . . so you will not have a fire.

We're glad we have a good fire department . . . but we prefer to have them stay in the fire house waiting for a call instead of rushing out to try to stop a blaze that is destroying evrything you own.

Fire prevention is more than a saying. Think about it.

## Christmas Parcels Should Be On Way Overseas Soon

The Post Office Dept. recommends Christmas parcels to men and women in the Armed Services overseas should be mailed between Nov. 1 and 20 or mailed by Dec. 10.

And what do the service personnel want?

Eleanor W. Taylor, executive secretary of Upland Chapter, American Red Cross, reports the following list from a poll by Red Cross field directors stationed to military units around the world:

1 One-way tickets home

2 Homemade goodies, money, subscriptions to hometown newspapers and family photos.

Women personnel added one more item to the list approved by men — expensive lingerie.

There was a big qualification as far as food was concerned. The men pleaded that it be packaged for mailing correctly.

Food should be packaged in a coffee tin or some similar container in such a way that it won't shift from side to side. The tin should be sealed tightly and placed in a heavy corrugated pasteboard box. Cookies should be individually wrapped.

The men who asked for money hastily added that they were not being mercenary. They point out that since they are stationed in far-off places, the gift choice is wider and they ask that money be sent in the form of a money order since personal checks are almost impossible to cash.

## Student Growth Pressure

"Seven more classrooms are now needed to give all children in Upland School District a full day of instruction," Supt. Harold Cook has informed members of the Lay Advisory Committee studying school needs and methods of finance.

Currently, 232 second graders are on double sessions. In a one year period between last September and this the district constructed 14 new classrooms and was still able to do little more than keep abreast of Upland's student growth, Supt. Cook pointed out.

"We can't solve the problem by ourselves," both Board of Trustees President Jarvis Leman and Supt. Cook have informed the citizens study group. "Apparently State Aid is the only answer."

After the student population here increased by 10 per cent leaps during the last three years, an 8.34 per cent jump is indicated by attendance figures as of Sept. 21, Supt. Cook reports.

Last year 2434 students attended the district's three elementary schools and one junior high school. This year 2637 pupils are attending them. This is an increase of 203 students.

Breakdown by classes this year shows 281, kindergarten; 276 first, 336 second, 301 third, 274 fourth, 277 fifth, 269 sixth, 302 seventh, 256 eighth and 15 special. Growth is shown in all grades but the first and sixth. There were 328 first graders last year and 280 sixth graders.

## Guinn Wins Top Little Loop Honor

James Lee Guinn, son of Mr. and Mrs. Lloyd O. Guinn, 9382 Lomita Dr., Alta Loma, has received the Jamie Blatnick Memorial Award for Outstanding Sportsmanship in Cucamonga District Little League for 1959.

The award commemorates passing of another Little Leaguer, Jamie Blatnick.

Young Guinn received a small replica of the perpetual trophy. His name has been inscribed on the perpetual trophy along with those of past winners, Jim Ferguson and Tin Vasquez.

Guinn played third base and pitched for the Junior Merchants. He has been with the team for three years.

## Upland Doctor Returns From Studies In Europe

Dr. and Mrs. Stanley Peter Lopat recently returned to their Upland home after one and one-half years in Europe.

Dr. Lopat spent most of his time in post-graduate surgery in Vienna and Linz, Austria. In Linz he studied for one year with the renowned surgeon, Professor Andreas Plenk. The last few months of his stay were spent in Vienna in Surgical University Clinics of Professor Tassilo Antoine and Professor H. Kunz.

Mrs. Lopat's parents, Mr. and Mrs. G. W. Epeneter, Palisade, Colorado joined the Lopats in March in Austria. Later they accompanied Dr. and Mrs. Lopat on a motor tour of Western Europe.

The Epeneters returned to the United States in July and were accompanied by the three Lopat children, Marianne, Constance and Camille. The children spent rest of the summer on the Epeneter ranch in Colorado.

Special highlights of the tour through Western Europe were attendance at a special audience of Pope John and five days in Madri durding Madrid's yearly festival.

During their stay in Austria they attended the Salzburg festival and also enjoyed a number of performances at the famous Vienna State Opera.

Dr. and Mrs. Lopat sailed for the United States from Holland on the Holland-America Lines' new flag ship, the S. S. Rotterdam. This was a very gala voyage since the Crown Princess Beatrix of Netherlands was aboard.

The beautiful new ship was given a special welcome in La Harve, France, South Hampton, England, and New York. As the Rotterdam entered New York harbor the Princess was transferred to the Dutch destroyer Gledderland. The new liner was given the traditional New York harbor welcome.

## Plaid Press Now Tabloid

Abandoning last year's full-size newspaper format, Upland High School's Plaid Press offers a completely new set-up, staff and schedule for the 1959-60 school year.

The paper now is a five column tabloid size, and will be published every two weeks. Last year it appeared monthly.

Reed Hansen is executive editor; Vivian Collins, front page; Marilyn Morocco, feature page; Pat Hicks, activities page; Charles Benninghoff, sports page Wayne Young, circulation; Judy Weldon, exchange, Bob Jones, photographer.

Staff writers are: Carole Asbill, Sharon Harlan, Steve Walls, Bob Bittner, Linda Lauer, Martha Brown, Mary Marsh, Jamie Clark, Diane Cowell, Juan Rosendo, Sherry Novack, Jane Dalla Rosa, Marilyn Tolbart and Ragna Olausen.

## Upland School Facilities Reported Near Saturation

Upland School District's present facilities have been outlined to the 14-member Lay Advisory Committee which has launched a study of district building and financial needs for a proposed mid-winter bond election

The district now has four schools — Upland Junior High School at 444 E. 11th St., Upland Elementary School, 601 N. Fifth Ave., Baldy View Elementary School, 979 W. 11th St. and Sierra Vista Elementary School, 253 E. 14th St.

On the Upland Junior High 10-acre site, there are administrative offices, library, gymnasium, shower - dressing rooms, snack bar and eating shelter, school bus garage, 21 classrooms. Last year 497 student were enrolled. Attending the school this year, as of Sept. 21, were 573 pupils.

Supt. Harold Cook has termed this facility "overcrowded," indicating need for a new junior high school in the near future. A new elementary school has been earmarked as a "necessity."

On the 10-acre site of Upland Elementary School are administration offices, an auditorium with seating capacity of 616, cafeteria and 20 classrooms. This is the only school in the district with less enrollment than last year — 685 to 737 as of Sept. 21.

On Baldy View's 10 acres are administrative offices, eating shelter and 20 classrooms for 630 students this year as compared to 623 last.

At Sierra Vista's 12.36-acre site are a multi-purpose room, eating shelter and 20 classrooms. Enrollment here has swelled from 577 last year to 749 this.

Central administrative offices of the district, including the superintendent's office and the Board of Trustees room are located at 716 and 724 N. Third Ave. in two old houses described as "inadequate for the purposes served." They are located on a one plus acre site which also serves for school bus storage.

In addition, the district owns three undeveloped sites. Elementary school sites are 10-acre tracts — the second tract west of San Antonio Ave. on north side of Seventh St. and the third tract west of Euclid Ave. on the north side of 15th St.

An 18-acre junior high school site is located west of W. Euclid Ave. frontage on the north side of 18th St. But the district has been notified by the state that the district should purchase an additional five acres to make this tract 23-acres, now determined, as proper junior high size by the state.

# Alta Lomans Find Bottom Pickin's Good

Mike Carrari and son, Joe, of Alta Loma, reported to Farm Advisor John Van Dam that they hit the jackpot on value returned for capital invested when they began using orchard heater bottoms for grape picking containers. These salvaged, lightweight, square bowl bottoms will hold five gallons of grapes.

Purchased two years ago, they were originally used as water boxes for irrigation of avocado trees. Later they were cleaned, painted, and with hand holds cut, met with immense favor with grape pickers.

In their second year of use as picking containers, they have proved their advantage in durability and ease of handling. They are sanitary, as they are non-absorbent; and safer, as they do not splinter and are impervious to puncture vine seeds. The pickers have indicated to the Carrari's that they prefer them to the wooden boxes they previously used.

# Jr. High Fund Plan Okayed

The selling of magazine subscriptions from door to door has been ruled as "good experience for junior high school students by Upland School Board of Trustees.

In face of metropolitan feeling against youngsters engaging in door-to-door charity or sales work, Supt. Harold Cook asked ruling of the board on the annual magazine subscription drive employed to raise student body funds at Upland Junior High School.

Board members indicated they would not favor such activity for elementary school youngsters, but felt junior high students received benefit from such a project.

Continuation of the annual magazine subscription drive was unanimously authorized by the board.

# Legion Doings

Jon Kay, who attended Boys State this summer sponsored by Upland American Legion Post 73, was to pass along information on his experiences at meeting of the Post Wednesday night, Oct. 7.

# Edison PTA Entertains At Outdoor Buffet Fete

Members of the board of Edison PTA entertained husbands and faculty members of Edison and their husbands at an outdoor buffet supper Sept. 30. The party was held in lovely yard of Mr. and Mrs. Robert Brahm, 637 East Harvard. Mrs. Brahm, Edison hospitality chairman, was assisted by tea chairmen Mrs Paul Foley and Mrs. Paul Behrens.

Tables were set up around the pool and the pool was lighted by floating candles in addition to other attractive yard lights. Sixty-four teacher, PTA members and their mates attended.

Following the social hour and buffet those who could remain were entertained by pictures and comments of her trip by Miss Roberta Brahm who represented Chaffey High School in the American Field Service program, and who spent the summer in Turkey living with a Turkish family.

Those who attended were: Mr. and Mrs. Duane Gifford, Mrs. Merrill Moore, Mr. and Mrs. Marvin Tate, Mr and Mrs Alexander McLeish, Mr. and Mrs. Joseph Garello, Mr. and Mrs. Robert Jensen, Dr. and Mrs Lester Stroh, Mr. and Mrs. Fred Arterberry, Mr. and Mrs. S. B. Allison, Dr and Mrs Lyle Asay, Mr and Mrs. Robert Brahm, Mr. and Mrs. Richard Shumway, Mr. and Mrs. Wm. Cave, Mr. and Mrs Cecil Lane, Mr. and Mrs L. H. Civille, Mrs. Kenneth Wymore, Mr. and Mrs. Allan Smith, Mr and Mrs Paul Foley, Mr. and Mrs. Paul Behrens, Mr. and Mrs. Robert Sorrells, Mr. and Mrs. William Nelson, Mr. and Mrs. Robert Reyburn, Mr. and Mrs. Hershel Bostic, Mr. and Mrs. Cornelius Hays, Mr. and Mrs. Joe Palmissano, Mr. and Mrs. Ernest Haber, Mrs. Harry Smith, Mrs. Clifford King, Mr. and Mrs. C. Donald Clements, Mrs. Fred Felsch, Mrs Charles Meyer, Mrs. Martha Crowder, and Mr. and Mrs. Charles Brady and Mrs. L. K. Benson.

**Mr. and Mrs. John Grabowski**, 965 W. 23rd St., Upland, recently celebrated their 50th wedding anniversary. They married in Chicago in 1909. Mrs. Bernice Andrzejewski, sister of Mr. Grabowski, came from Chicago to attend the event.

# Getting Educated, Liking It Preps Discussion Subject

"How to Get a Good High School Education and Like It' was thought provoking subject of a discussion by Upland High School's teaching team students recently. Dr. Donald McNassor, professor of education at Claremont Men's College, was guest speaker at the combined lecture-discussion.

The team is a group of 140 freshmen who were selected to work with four teachers as a unit for a period of two years. The fluid schedule and combined talents of the instructors plus resource people from outside the school are pooled to offer a unique educational experience.

William Hildebrand, team leader, said purpose of the discussion was to start students thinking in terms of long-range goals.

Further discussion carried into the classrooms of the team—first of its kind in the district—was on the subject, "Why are we competing with Russia?" Again, Hildebrand said the idea was to impress on students the extreme importance of a good education. "Our students are a group of good young people and good thinkers, he said. "This activity cleared the thinking on many items puzzling them."

The first parent - teaching team meeting was held recently with 125 parents attending. Team members Robert Loney, David Campbell, Joseph Jennings and Mr. Hildebrand explained various phases of the program. The meeting was one of several planned to bring team and parents together as a working unit, Mr. Hildebrand said.

# Mechanics Of How To Study Asked

**What is being done in Upland school district to teach youngsters how to study?**

**That is a question which has been propounded by Trustee Floyd Allen.**

**"I don't mean WHAT is being studied," Mr. Allen emphasized. "I mean the pure mechanics of HOW to study.'**

**He asked Supt. Harold Cook to place that on agenda of the board of trustees for report by Mrs. Opal Hawes, district director of education.**

MRS.. MICHAEL SOLTIS

## Miss Solters Becomes Mrs. Soltis In Wedding

Miss Michaeline Mildred Solters became bride of Michael Soltis in St. Josephs Catholic Church, Pomona Saturday, Oct. 3 in a morning Nuptial High Mass.

The Upland couple left for Las Vegas on their wedding trip following the ceremony and reception. After Oct. 17 they will be home at 175 S. Palm, Apt. H, Upland.

The bride is daughter of Mr and Mrs. George Solters, 669 N. Laurel Ave. She is a free-lance model. She graduated from Pomona Catholic High School and Rita LaRoy Modeling School.

**Bridegroom Background**

The bridegroom has resided at 535 N. Euclid Ave. He is son of Mr. and Mrs. Andrew Soltis, 1964 Ohio Ave., White Oak Boro, McKeesport, Pa. Employed by Rohr Aircraft Corp., he is a graduate of Wake Forest College, majored in industrial management and received a degree as bachelor of business administration.

Officiating during the ceremony was the Rev. William J. Levkulich, OSB, pastor of St. Nicholas Byzantine Rite Catholic Church, Fontana. Michael Bodnar, uncle of the bride, performed as soloist and assisted with the nuptial high mass. He chanted the tropars and psalms of the mass in a combination of English and Old Slavonic.

**Original Creation**

The bride's gown was an original creation of Mrs. Solters, the bride's mother. She carried a white prayer book edged with gold, a gift of the bridegroom which was imported from Belgium.

The bride's honor attendant was Miss Marian Soltis, sister of the bridegroom. Her gown was also fashioned by Mrs. Solters. Best man was Robert Gaona of Northridge. Ushers were Thomas Solters, 9128 Baseline, Alta Loma, cousin of the bride, and Herbert Halpern, San Diego. The groom, bride's father, best man and ushers were attired in formal English strollers, oxford gray coats, vests and gray striped trousers.

**Mother's Attire**

Mother of the bride wore copenhagen blue silk chiffon, matching shoes, off-white kid gloves and a matching blue ostrich feathered, crown shaped hat. Her corsage was made up of hybrid cypripediums.

Decorations were all white. The wedding cake was of four tiers with two Greek columns entwined with cupids. Assisting at the reception were Mmes. Allan Barr, Fred Kushin, Jess Solters and Irwin J. Dean Jr.

Miss Soltis, Michael Malowski, uncle of the bride, Mrs. Dean Jr., cousin of the bride, and her small son Bradley Michael flew out by jet from Pittsburgh, Pa. to attend the wedding. Miss Pauline Breza, a close relative, flew down from San Francisco.

## First Luncheon At Woman's Club

First regular luncheon meeting of Upland Woman's Club will be held starting at 12:30 p.m. Tuesday, Oct. 13.

Featured on the program will be appearance of the Salvatore Trio — Salvatore and Dolores Crimi and Janice Simmons

Musical offerings of the ensemble will range from fast Hungarian dances to current light opera hits. Janice and Salvatore will present the world's favorite violin solos in duo form.

Salvatore Crimi has concertized with Nadine Connor and Brian Sullivan. Dolores Crimi is a pianist and singer. Janice Simmons has appeared with Lawrence Melchoir on concert tours.

Reservations must be made through Mrs. Norman G. Vadnais, chairman. Handling decorations is Mrs. C. P. Jacobs. October luncheon chairmen are Mmes. Anton Zenz and Shelby Forrest.

**Mrs. O. R. Nichols, 741 N. Euclid Ave., Upland, was blue ribbon winner at Los Angeles County Fair which ended Oct 4. She displayed a crocheted and embroidered afghan of wool.**

**The Roy Persons** will join his twin brother and wife, the Ray Persons of Claremont, and a large gathering of Californians heading for the Arizona desert and Camelback Inn for annual Scripps College alumnae weekend Oct 21-25.

SEE IT NOW AND SEE ALL THESE
new and different things
IN THE 1960 Chevy!

!new!
easy loading luggage compartment
New convenience has been built into Chevy's big, vacation-sized luggage compartment by lowering the loading height.

NEW spaciousness inside
Inside you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

THRIFTIER !!!new!!!
V8 POWER
Under the hood thrift is accented in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

NEW QUIET AND COMFORT
Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

!NEW!
refinements for the driver
Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

## Arrowhead Conference

Communications problems of rapidly growing scientific and industrial organizations will be analyzed at a University of California Extension conference Nov. 1 to 4 at Lake Arrowhead.

Discussion will center on communications problems both within the organization and between the industry and the public. The fields of management, training, personnel, marketing, production, public relations, research and engineering will be covered in the conference sessions.

Applications and requests for more information are being handled by Communications in Science and Industry, University of California Extension, Los Angeles 24, for this meeting at the University Conference Center on the secluded north shore of Lake Arrowhead.

Among the speakers will be L. E. Lattin, president of General Telephone Company; Patrick J. Sullivan, director of public relations for General Dynamics Corporation; Knox Bourne, McGraw-Hill Publishing Company; Robert Klein of Freborg, Ltd.; Robert R. Rathbone of Massachusetts Institute of Technology; and John B. Bennett and E. H. Porter Jr., both of System Development Corp.

**ROBERT W. JACKSON, San Mateo industrial executive**— "Too many of us fail to grasp the simple fact that only prosperous business can provide secure jobs."
